

TrainIdQA 

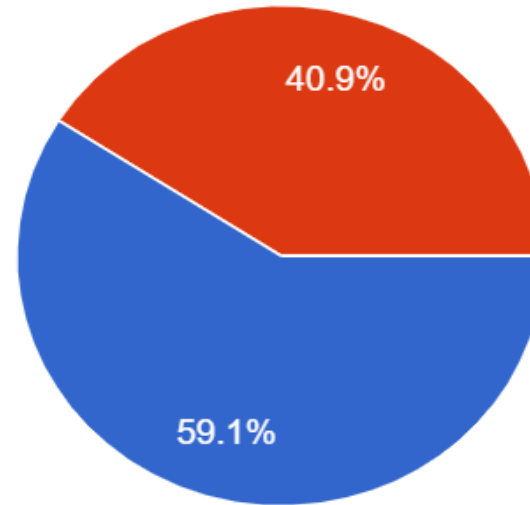

The road ahead

Feedback from Online Session

- Quality as exceptional/excellence
- Quality as perfection or consistency
- Quality as fitness for purpose
- Quality as value for money
- Quality as transformation
- Quality concept yang merupakan gabungan beberapa konsep di atas

- Ya
- Tidak/Belum

- The QA concept adopted will change according to the stage of institutional development
- There is still room for consolidation and improvement of QA
- Quality is everybody responsibility

For the next two weeks...

(latest 27 March 2020)

- Read and do the SER mock up from Pak Sugiyono and write down your answer and email to the committee. We will give you the feedback on the second workshop or earlier.
- Meet your superior, inform he/she about your PAP, Revise the PAP, and ask his/her signature for approval
- Send both document to trainidqa@borneo.ac.id

For the preparation of Workshop II in Malang

- Save the date: 10-13 August 2020
- We will monitor the project by sending a remainder email every month until Workshop II.
- You will report the progress of the project using a format that will be send by email in due time.
- Any consultation can be done via email to the committee, and we will send it to the mentor.

Thank you
